

WhatDothLife and COVER Home Repair presents:

THE GREAT UPPER VALLEY COVER UP

This Fall to Winter season, the boys of WDL will be giving back.. well, growing back.

This October to February WhatDothLife & our friends would like to grow our beards in our own means to bring attention to the heating crisis, while recognizing the work COVER does. What better way to bring awareness to this issue then by having us grow our own bearded weatherization for the winter? You can sponsor our beards by donating to COVER, (coverhomerepair.org) or volunteering your time with them, and check whatdothlife.com to stay up-to-date on our bearded progress.
